

Online Discovery Tour in Tallinn, April 26-30

Call for deep-tech startups that want to explore the Estonian market. Apply **HERE!**

What do we provide for you?

Taylor made a 5-day online market discovery tour to give you insights about the unicorn wonderland called Estonia.

We offer 2 days full of insights on the local business culture, ecosystem overviews, and legal aspects if you want to expand your business to Estonia.

Valuable 1-1 meetings with relevant corporates and ecosystem players, specifically tailored to your needs.

Hurry up because there will be limited seats available for this digital tour!

When?

The tour is held fully digitally from the 26-30th of April in Tallinn. Apply before the **2nd of April HERE!**

Co-funded by the Horizon 2020 programme of the European Union

Kaunas Science and Technology Park
