research and innovation programme under grant agreement No 821877

WANT TO EXPAND YOUR KNOWLEDGE WHILE HELPING #DEEPTECH STARTUPS TO GROW?

Broadening your knowledge while helping others grow their business means **#mentoring!**

Join the Scale-up Champions' board of mentors and contribute to turn the most promising projects in **#deeptech** into viable and scalable businesses

Investment Readiness Program

- Builds the fundraising capacity of deep-tech startups
- Creates boosting network of mentors, investors and startups
- Gives opportunity to meet deep-tech startups fully equipped to raise investment
- Guarantees access to dealrooms created to help investors find startup super-match

Mentor's profile

- An experienced entrepreneur, investor, accelerator leader, academic or professional with experience in entrepreneurship and startup ecosystems.
- Has an expertise in the startup-investor relations (e.g. has made investment-readiness assessments, has invested in startups or taken part in investment processes and understand cooperation with investors, etc)
- Has an inspirational and leading mindset and is willing to act as a guide and role model for other entrepreneurs.
- Skilled in team assessments, results in optimization, and providing training.

Program

Customized journey (3-6 months)
The first batch: November 2020 – April 2021

Startups engagement:

- 4 batches of startups by May 2022
- The 1st batch: November 2020
- Accepted startups: 25-35 per batch
- 3-6 months of individual support

Mentors engagement:

- 10-25 hours of mentoring provided per startup per batch
- Mini check-ins with the team, once every two weeks for 30-60
- Help with relevant intros, contact sharing

Benefits

- Meeting great deep tech talents from all over Europe
- Expanding your knowledge and skills while helping others and making a positive social impact.
- Contributing to boosting the deep-tech startup ecosystem.
- Being matched with cutting-edge projects in deep-tech.
- Becoming part of an international network of entrepreneurs, investors and corporates.
- Getting the greatest investment opportunities

Application period:
28 July – 01 September

Discover innovative technology and talent with Scale-up Champions!
